

FCC Commissioners:

As a New Jersey resident on the "Do Not Call" list, I have been able to enjoy dinner again with my husband without constant phone calls from organizations looking for money. If I want to make a donation, I have access to the Internet and its quite simple to do. I don't need to have phone calls to ask for money or if I want to buy a newspaper during dinner or in the evening when I'm trying to relax. The "Do Not Call" list is working and should not be changed under any circumstance.

Sincerely,  
Donna Macalle-Holly
